QUARTERLY MEETING SUMMARIES

The quarterly meetings are structured to inform the membership of the latest changes relating to programs, regulations, housing issues, as well as community and economic development. At each quarterly meeting Anthony Core from Squire Patton Boggs LLP updates the members of pending or changing legislation, and a representative from HUD and OCD presents federal and state issues to keep the membership up to date. President's Award

CHN Housing Partners worked with its partners and the HUD Columbus Field Office to design a program that provides a one-stop shop for housing stability in Cuyahoga County. The cities of Cleveland Heights, East Cleveland, Euclid, Lakewood and South Euclid all joined the effort. Additionally, CHN Housing Partners partnered with EDEN, Inc. in order to assist residents through ESG and ESG-CV funded programs. This award has been earned by CHN Housing Partners and all of their government and non-profit partners for quickly responding to a housing crisis through a monumental collaboration.
