**OCEAN and OCD Updates and Information**

Active OCEAN users receive the OCD Weekly Digest. OCD does not maintain a separate mailing list. If you are an active OCEAN user and not receiving the Digest, please check with your administrator and make [ocd@development.ohio.gov](mailto:ocd@development.ohio.gov) a safe sender. Also, check your OCEAN profile and ensure your email address is correct. Click [here](#) for the Quick Reference Guide to update your information.

Remember to use Internet Explorer when using OCEAN. If you need assistance navigating OCEAN, **do not submit a ticket to the OCEAN Help Desk.** Email your program representative with the grant number and screen shots of the issue.

**OCD Encourages Electronic Communication**

As part of an ongoing effort to move to paperless operations, OCD encourages grantees to send all correspondence via email to your program representative or [ocd@development.ohio.gov](mailto:ocd@development.ohio.gov) and copy your program representative. Since the physical office is closed to employees, items mailed to our physical address will not be received in a timely manner. If you have any questions, please contact your [program representative](#).

## COVID-19 Administrative Updates

### Environmental Review Process

### Census 2020

Ohioans have been receiving their invitations to participate in the Census by mail. The 2020 Census is modern and technology will allow Ohioans many ways to respond. The quickest and easiest is online at [2020Census.gov](https://2020census.gov). The site will accept responses in English and 12 non-English languages. Ohioans can also complete the survey by phone.

Participation in the 2020 Census is critical, and you can track your community's participation rate by visiting the [2020 Census website](#). On this site you can view response rates at the

county, city or township level. This is important data as we work to make sure every Ohioan is counted.

Please continue to remind your residents to participate in the 2020 Census. It's something they can do while following the Governor's stay at home order during this health crisis. Remember, the Census will take 10 minutes, but it impacts the next 10 years. The 2020 Census is easy, safe, and important. If you have questions about the census and connecting to your residents during this time, email [OhioCensus2020@development.ohio.gov](mailto:OhioCensus2020@development.ohio.gov).
