Digest for October 2, 2020

The emergence of the Coronavirus Disease (COVID-19) calls for enhanced cooperation between public health authorities, homeless service systems, and other partners at the local level. To support these partnerships and the vulnerable households served, HUD and its partners are issuing guidance from subject matter experts on best practices and lessons learned.

This bi-weekly digest contains recently published resources from HUD's Office of Special Needs Assistance Programs (SNAPS) and its national, state, and local partners.
