

Register Today: Designing and Implementing an Emergency HOME TBRA Program Part 2: Developing Policies and Procedures Webinar – June 17, 2020 – 1:00 PM EDT

HUD's Office of Affordable Housing Programs (OAHP) is pleased to announce the second webinar in a 3-part series that guides HOME Investment Partnerships Program (HOME) Participating Jurisdictions (PJs) on designing and implementing an emergency HOME Tenant-Based Rental Assistance (TBRA) program in response to the COVID-19 pandemic.

The second webinar in the series focuses on developing policies and procedures for an emergency TBRA program. While statutory suspensions and regulatory waivers announced on April 10, 2020 will help PJs accelerate program implementation, PJs must develop policies and procedures to ensure the efficient and compliant rollout of such programs.

This webinar will discuss the policy options and practical procedural trade-offs associated with PJ choices such as:

- Target households and selection criteria
- Determining types and level of assistance
- Unit requirements
- Outreach and affirmative marketing
- Application processing and client intake
- Rental assistance contracts and leases

Training Objectives

Attendees will be able to:

- Make informed decisions about implementing a TBRA program in response to the COVID-19 pandemic

- Consider the trade-off between policy decisions and rapid program implementation

Who Should Attend?

HOME PJs and subrecipients developing TBRA programs in response to the COVID-19 pandemic

Schedule and Registration
