HOPWA Quarter 4 Performance Profiles Now Available

HUD has posted [Housing Opportunities for Persons With AIDS \(HOPWA\) Performance Profiles](#) for the fourth quarter of the Federal Fiscal Year 2019-2020.

The HOPWA Performance Profiles are generated for all agencies receiving HOPWA formula or competitive grants. HOPWA Performance Profiles are available at the national level and by individual grantee. In particular, the reports provide a grant summary of beneficiary outcomes data and output data for activity types (housing assistance, housing development, supportive services, housing information services, and administration and management services).

Please note:

- [HOPWA Notice CPD-20-05](#), dated May 8, 2020, provides for extensions of up to 90-days for grants with APR/CAPER submissions due within six months of the Notice. As a result, some reporting may be delayed.
- Data collection and validation actions are pending with some reports. A performance profile with no data indicates that the grantee has not submitted its performance report.
