Training Objectives

- How to use HUD's OZs Toolkits [Volume 1](#) and [Volume 2](#) as guidance to help support the development of an action plan for their OZs to attract private and public capital
- How OZ private incentives are bolstering economic development in communities
- How OZ public incentives and funding have been leveraged and can be leveraged for local economic development
- How to build local community engagement strategies to ensure equitable outcomes that meet the needs of both the community and its residents

Who Should Attend?

This webinar series is intended for local leaders in communities with federally designated OZs, including public officials, community development professionals, nonprofit organizations, civic leaders, and other local economic development stakeholders. Other individuals interested in OZs, including current and potential investors, are encouraged to attend.
