New DRGR User Manual Now Available

The [Disaster Recovery Grant Reporting \(DRGR\) User Manual](#) is posted on the DRGR page of the HUD Exchange with a new look and format.

The new User Manual is inclusive of all HUD programs managed in DRGR and is divided into digestible sections designed to assist users in completing tasks with clear direction. The chapters provide general information on the covered DRGR function, step-by-step instruction with screen shots to complete actions in the DRGR System, and tips to highlight important information. The User Manual will be updated with additional sections following future releases.
