# New Grants Management Resource – Crosswalk for 2 CFR Revisions

A new resource has been added to the [Grants Management and Oversight page](#) on the HUD Exchange. This page serves as a learning pathway for effective management of federal grant funds throughout the full lifecycle.

Produced by the Chief Financial Officers (CFO) Council, the [Crosswalk for 2 CFR Revisions](#) is designed to compare the revisions to Title 2 of the Code of Federal Regulations (2 CFR) published in 85 FR 49506 on August 13, 2020 with the guidance that was previously published in the Code of Federal Regulations.

This document serves as an index, providing readers with a reference of where changes occurred. Each Part of 2 CFR is in a separate tab. 2 CFR 180 is not accounted for in this crosswalk because that is an entirely new part in 2 CFR.
