New Grants Management Page on the HUD Exchange

HUD is pleased to announce the launch of the new Grants Management and Oversight Division (GMO) page on the HUD Exchange for grants management information and resources.

The new collection of information and resources serves as a learning pathway for effective management of federal grant funds throughout the full lifecycle. The resources will:

- Help you understand HUD's grant processes
- Expose you to laws, regulations, and policies
- Support your efforts to create truly comprehensive, coordinated, and effective strategies to address your community needs
