# Register Today: Lead Safe Housing Rule Webinar Series: Subparts J and K - February 2021

HUD's Office of Lead Hazard Control and Healthy Homes (OLHCHH) is hosting a webinar series that will review federal lead regulations with a focus on the Lead Safe Housing Rule (LSHR) activities:

- Subpart J for rehabilitation
- Subpart K for acquisition, leasing, support services, and operations

Presenters will provide a step-by-step explanation of how practitioners can create healthy housing while complying and documenting compliance with the LSHR.

## Training Objectives

Participants will learn:

- How the federal lead regulations apply to their housing activities and programs
- How to comply and document compliance with the key steps of lead hazard evaluation, reduction, and clearance
- How to keep residents protected from lead hazards during and after work is complete

## Who Should Attend?

This series is relevant to Community Planning and Development (CPD) and Office of Native American Programs (ONAP) grantees and their subgrantees/subrecipients who administer Subpart J housing rehabilitation activities and Subpart K activities/programs (including homebuyer assistance).

## Schedule and Registration

This series includes four weekly, two-hour sessions on Wednesdays followed with a one-hour office hour session on Thursdays to review homework and answer questions related to that week's materials.

Registering will automatically register participants for all sessions in the series. All participants are expected to attend the first session of the series, then only attend the remaining sessions that apply to their work activities.

- Attend **sessions 1, 2, and 3** if administering housing rehabilitation programs
- Attend **sessions 1 and 4** if administering acquisition, homebuyer assistance, leasing, support services, and operations programs
- Attend **all 4 sessions** if administering multiple programs that include housing rehabilitation and any of the Subpart K activities
