Additional Resources

The [2021 PIT Count and HIC Guidance and Training page](#) will continue to be updated with new resources. Current resources include:

- [CPD Memo: Availability of Waivers for the Biennial Point-in-Time Count of Unsheltered Homelessness](#): This memo legally formalizes HUD's requirements and flexibilities for the 2021 unsheltered PIT count. CoCs should follow this document's waiver notification process.
- [Conducting the 2021 Unsheltered PIT Count](#): This document provides guidance to CoCs on how to safely conduct the 2021 PIT count during the COVID-19 pandemic. *CoCs should not follow the waiver request process outlined in this document and should instead refer to the updated process outlined in the CPD memo linked above.*
- [How to Use Sampling within a CoC to Conduct an Unsheltered PIT Count](#): This document provides an overview of how to use sampling to estimate a total count of people experiencing unsheltered homelessness on the night of the PIT count.
- [Point-in-Time Survey Tools](#)
 - [Observation-Based Unsheltered PIT Count Guidance and Example Form - Updated December 2020](#) (PDF Version)
 - [Observation-Based PIT Count Example Form for Use on the Night of the Count - Updated December 2020](#) (Word Document Version)

To view all of HUD's PIT count and HIC resources visit the [PIT and HIC Guides, Tools, and Webinars Page](#). This is a one-stop site where communities can access all of HUD's guidance on how to plan and implement their PIT counts. The resources include the [PIT Count Methodology Guide](#), survey tool resources, implementation resources, etc.

Questions?

If you have any questions about planning, implementing, or reporting your HIC or PIT count data that are not covered in the resources listed above, please submit your questions to the [Ask A Question \(AAQ\) portal](#). In Step 2 of the question submission process, select "HDX Homelessness Data Exchange (including PIT, HIC, AHAR, Sys PM, LSA, and PDX)" from the "My question is related to" drop down list.
