Register Today: CDBG-DR and CDBG-MIT Webinar Series – Summer 2020

The Office of Block Grant Assistance (OBGA) Disaster Recovery and Special Issues Division (DRSI) is hosting a webinar series for Community Development Block Grant Disaster Recovery (CDBG-DR) and Community Development Block Grant Mitigation (CDBG-MIT) grantees to provide an introduction to each program.

These webinars will educate grantees on how to successfully and compliantly implement their programs. A basic overview of the requirements and [key topics listed in the chart below](#) will be covered as well.

Who Should Attend?

This webinar series is intended for all new CDBG-DR and CDBG-MIT grantees. As space permits, partners such as subrecipients and developers, as well as more seasoned CDBG-DR grantee staff, may attend. A recording of each webinar will be posted on the HUD Exchange so grantees can view the webinar at a later date.
