# Take the Building HOME Online Training Today

Have you and your staff explored the new [Building HOME Online Training](#)? Whether you're new to the HOME Program or want to deepen your knowledge, the Building HOME Online Training is for you!

## **What Users are Saying**

Join the over 1,800 users who have already engaged with these training modules. Here's what they are saying:

## Training Highlights

- Available 24/7 on the HUD Exchange—get started and take breaks as it fits into *your* schedule
- Engaging and interactive, with bite-sized topics within each module
- 12 modules that cover the key requirements and topics you need, including homebuyer programs, rental development, and tenant-based rental assistance
- Real-world affordable housing development scenarios, offering multiple job role perspectives
- Challenge questions and exams to test your knowledge

---

## Get Started

Take the first three modules in sequential order. These core modules lead you through a track of program-wide basics. You must complete these core modules before you can take the remaining modules.

- Module 1: Overview of the HOME Program

- Module 2: HOME Program Requirements
- Module 3: HOME Program Administration

---

## Expand Your Base

Once you complete the core modules, take any or all of the other remaining modules that are of interest to you, in any order that you wish.

- Module 4: Homeowner Rehabilitation Programs
- Module 5: Homebuyer Programs
- Module 6: Rental Housing Activities
- Module 7: Rental Housing – Long-Term Compliance
- Module 8: Community Housing Development Organizations (CHDOs)
- Module 9: Tenant-Based Rental Assistance (TBRA)
- Module 10: HOME Match
- Module 11: Reporting and Integrated Disbursement and Information System (IDIS)
- Module 12: Other Federal Requirements

---

Complete all modules to learn the full breadth of eligible HOME activities and to access guidance related to effective and compliant implementation.
