

CPD Income Eligibility Calculator Updated with FY 2021 Income Limits

The [Community Planning and Development \(CPD\) Income Eligibility Calculator](#) has been updated to incorporate FY 2021 Income Limits for the following programs:

- Brownfield Economic Development Initiative (BEDI)
- Community Development Block Grant Program (CDBG)
- CDBG Disaster Recovery (CDBG-DR)
- HOME Investment Partnerships Program (HOME)
- Housing Opportunities for Persons With AIDS (HOPWA)
- Housing Trust Fund (HTF)
- Neighborhood Stabilization Program (NSP)
- Section 108 Loan Guarantee Program
- Self-Help Homeownership Opportunity (SHOP)

The FY 2021 Emergency Solutions Grants (ESG) Income Limits were updated in the calculator on May 14, 2021.

The FY 2021 Income Limits are effective June 1, 2021 for all programs except ESG, for which FY 2021 Income Limits became effective on April 1, 2021. These updated limits can be accessed on the [CPD Income Eligibility Calculator page](#) under "Related Materials."

How Does This Affect the Income Calculator?

All calculations that are currently in a user's dashboard in the [CPD Income Eligibility Calculator](#), as well as calculations completed going forward, will use the FY 2021 Income Limits for the purposes of determining eligibility.

Although your data and calculations are accessible within the CPD Income Eligibility Calculator for a period of time, this tool is designed to allow you to more easily update a beneficiary's income in the future; it is not a repository of income calculations completed in the past.

Now that the CPD Income Eligibility Calculator has been updated with FY 2021 Income Limits, calculations based on the FY 2020 Income Limits data are accessible only if downloaded from the calculator and saved to a user's hard drive (or printed off) prior to today.
