For password resets do not submit a ticket to the OCEAN Help Desk. If you need to reset your password email [ocd@development.ohio.gov](mailto:ocd@development.ohio.gov).**

Active OCEAN users receive the OCD Weekly Digest. OCD does not maintain a separate mailing list. If you are an active OCEAN user and not receiving the Digest, please check with your administrator and make [ocd@development.ohio.gov](mailto:ocd@development.ohio.gov) a safe sender. Also, check your OCEAN profile and ensure your email address is correct. Click [here](#) for the Quick Reference Guide to update your information. Remember to use Internet Explorer when using OCEAN. If you need assistance navigating OCEAN, **do not submit a ticket to the OCEAN Help Desk**. Email your program representative with the grant number and screen shots of the issue.

As part of an ongoing effort to move to paperless operations, we encourage grantees to send all correspondence via email to your program representative or [ocd@development.ohio.gov](mailto:ocd@development.ohio.gov) and

copy your program representative. Since the physical office is closed to employees, items mailed to our physical address will not be received in a timely manner. If you have any questions, please contact your [program representative](#).

**For HOME-funded Grants:** When submitting a status report, if you receive an error message about unexpended HOME funds, click *Cancel* to clear the message and submit the report.

## **Administrative Updates**

### **Reminder for PY 2020 Community Development Program Grantees**

Grantees must submit a Request for Release of Funds (RROF) and/or Environmental Review Certification by **February 15, 2021** for all PY 2020 Community Development Program activities not included in the Environmental Review Documentation and Certification Form for General Administration, Fair Housing, and Planning. Failure to meet the February 15, 2021 deadline may reduce the likelihood OCD will approve any request for extension or amendment of the grant agreement. Failure to meet the February 15, 2021 deadline will also affect the Grantee's administrative capacity rating, which may impact the Grantee's ability to apply successfully for competitive OCD-funded programs.

### **Notice of Funding Availability Changes**

Beginning in PY 2021, OCD will post one officewide Notice of Funding Availability (NOFA) for all its funding sources and programs. The NOFA will be updated regularly to reflect changes in program allocations and state and federal funding amounts. Links to more detailed information for each program, if available, will be located at the end of the NOFA posting. To view this year's officewide NOFA, click [here](#).

## Citizen Participation Requirements for PY 2021

For all grantees applying for OCD grants in PY 2021, the citizen participation requirements are back to the 30-day minimum for public comment periods per HUD regulations. We encourage grantees to hold public hearings virtually, however, grantees must provide the community with reasonable notice and opportunity to comment. Click [here](#) to read HUD's Office of Community Planning and Development memo.

## Open Community Development Analyst Position

The Office of Community Development has an opening for a Community Development Analyst position in the Community Investments section. For detailed information about the position including how to apply, click [here](#).
