CoC Environmental Reviews

HUD has completed environmental reviews for all FY21 CoC Awards limited to Soft Costs (operating/admin, supportive services, and HMIS) and Tenant Based Rental Assistance/Leasing under Part 50.

CoC Grantees with Sponsor Based or Project Based Rental Assistance grants (where the participant has DOES NOT have autonomy in selecting their own unit) have been advised to work with the Responsible Entity (RE) of the entitlement community they're located in, or the nearest UGLG, to conduct limited scope reviews under Part 58.

These reviews do not have to be conducted onsite, only require a review of a small number of factors, and can be completed very quickly.

If you are asked, please work with your local CoC service providers to complete & sign off on these reviews to help avoid any disruption of service for these vulnerable populations.
